Have you seen a car at any price that surpasses it in beau-

We know of REO cars that run the past year without any cost of repairs except tire upkeep. This is because they are built right. We know of other cars costing a great deal more and sold last Spring that had to have a set of wheels. This is caused by too much weight for the wheels to carry.

Before you purchase a car drop us a card and let us give you prices and literature on the REO.

Young man, GO TO CHURCH!

The young man, more than anyone else, is in need of spiritual strength to do battle with the world. He is beset with temptations. The lesson he is taught in the house of God will guide him in the path of rectitude. And they will be an asset to him in the daily life of the material world.

Not only will going to church help the young man in a spiritual way, but will be of apparent wordly benefit. A young man who goes to church regularly is bound to make a favorable impression in the community in which he lives. He will quickly get a reputation for honesty and upright living. His employer will be quick to not his exemplary habits. If there is a position of trust to be filled h e is the most likely candidate, Going to church brings its church brings its reward not only in the life to come, but in the present one. And then there is the social side. The young man who goes to church is certain to be invited to the most exclusive functions. Those who make up the invitation lists never mand.
